

## EXTERNAL APPLICATION FOR LAUREATE ACADEMY SIXTH FORM

Laureate Academy is proud to be able to offer a wide range of courses at Level 3 (Advanced Level or equivalent). Students who attend our sixth form usually study three subjects, but please indicate on the application form if you wish to consider studying four subjects.

Please indicate on the application form the courses that you would like to study in Year 12 (mark the courses 1 to 3, 1 being your first choice). Your choices should be sensible and based on your current predicted grades if you have already studied the subject, or you are able to prove an interest in a subject that you are interested in. The combination of subjects you chose, should be done so to allow you to achieve the highest grades possible, in order to maximise your choices when moving onto university, an apprenticeship or into the workplace. Although each applicant will be considered on an individual basis, achieving Level 5 in English and Maths is a requirement across many A Level subjects. This is different for BTEC and Cambridge Technical Awards.

The Laureate Academy Sixth Form team will consider your options along with information from KS4 assessments and predicted progress and confirm an offer by the end of the Spring Term.

This completed form should be signed by both student and parent/carer and returned to your Head of Sixth Form by Monday 22<sup>nd</sup> February 2021. Forms received after this date will be dealt with as a late application.
